From Lynchburg to Pittsburgh. The Lynchburg papers appear to keep their eyes always turned towards Pittsburg, it cannot but lead also from Pittsburg to Richmond.

The Lynchburg News learns from a Pitts- from any New York journal. quote :

"From Pittsburgh via Tygart's Valley and Greenbrier rivers and White Sulphur Springs, 390 miles; from Pittsburgh via Tygart's Valley river and Covington, 355 les; from Pittsburgh via Cheat river, Jackson's river, and Covington, 370 miles from Pittsburgh via Cheat river, Cowpas ture river, and Williamson's, 342 miles; from Phtsburgh via Cheat river, Cowpasture river, Panther Gap, and Lexington,

The last-named route is recommended by Mr. DANDRIDGE. It is certainly a very short route-about two hundred miles shorter than by the nearest of the present routes trough of the mountains. Its bed at of the Richmond Board of Health. Rowlesburg, where the proposed new route crosses the Baltimore and Ohio railroad, is a thousand or more feet above the bed of the Tygart's Valley river at Grafton, only twenty miles distant. The region of hoop-poles and buckwheat is not the one to furnish local freights.

Again: There is already under contract to Philippi-a point on the Tygart's Valley river about fifteen miles east of Grafton, SHALL McDonald, Commissioner. and directly on one or more of the routes described in the paragraph quoted above.

But M1. DANDRIDGE, we suppose, took all these facts into consideration before recommending the shortest route. This last route will be best for the Pittsburghers who wish to transport heavy freights over the whole, or nearly the whole, line, and is no doubt for this reason preferred by Mr. DANDRIDGE in the interest of the men who are to formsh the most of the money with

was a delegate to the Democratic National Convention which was held therethat year. We met him a day or two before the Convention assembled, and, being a Th.Dex Th man ourself, learned from him enough of the inside history of the Thiden movement to satisfy us that Mr. Hurchins was a trusted friend of the great New-Yorker's, though of course he did not say so. We suppose he is still. Now hear what he says in his paper. We quote:

"There is no reason to believe that Mr. Tilden is in any sense a candidate. He is understood to have permanently retired from him enough of the Thiden is in any sense a candidate. He is understood to have permanently retired from charge was used in blasting, and a rock.

derstood to have permanently retired from | charge was politics. Those who represent him as de-strous of another nomination and as mana-through the air and went crashing through

itself and fresh in the public mind. Now that a subsequent presidential election has hidden his candidacy and clouded his claim, and are different for a moment the contact are different for a moment the contact are different forms. Were has been stationed for several with his family to day from Washington, has been stationed for several contemplate building a rectory also. When a contact of both will be quite ornamental to upon the Democratic party was strong in the field. General HANCOCK now has a years. stronger claim and a stronger hold upon the Democratic party than has Mr. THIDEN,

The results of the local elections in Ohio on Monday last are well calculated to produce a rather despondent feeling in the duce a rather despondent feeling in the minds of the Republicans of the whole country. Those results seem to indicate more than we had supposed they would—namely, that the Germans have determined to remain in the Democratic party

to remain in the Democratic party

The play will be presented with seenery modelled after the feature setting.

A new post-office has been established at "Meadow Mills," Frederick country, Va., with William H. Spriggie as postmaster; also, at "Crifford," Amherst country, Va., another horse and overtook Shoape just the congressman-elect from the congressman electrons and the c Cleveland district, is reported as having

CLAREMONT. A TRIANGULAR FIGHT-BREAKING GROUND FOR

THE ATLANTIC AND DANVILLE RAILROAD-INTERESTING CEREMONIES, IN WHICH A LADY BORE AN IMPORTANT PART-FOUND DEAD. [Correspondence of the Richmond Dispatch.]

A dispute arose at this place recently between two colored men in the employ of Mr. Steele, of Spring Grove. One knocked burgh. They are bent upon having a railroad constructed between those two inland
cities. They are working for the whole
State, however, when they are working for
the success of this project; and ought to
be encouraged to persevere in their laudablam deribling. Plahmand for the success of the country, especially those
of New York. Strange to say, he
was a Greenbacker—strange, we mean,

A partial suspension in building opera lengthened.

The ceremony of breaking ground for the Atlantic and Danville railway took place yesterday between the hours of 1 and 2 P. M. A large crowd were in attend-Smith, and was an appropriate production. The first spadeful of earth was thrown by Mrs. Lillie Mancha, wife of J. F. Mancha. of the event. It was fitting and appro-priate that this honor should have been tendered the wife of the persevering founder of Claremont, who, through a long series of vicissitudes, has borne his colony

railway trains. A colored man named Briggs was found dead this morning in a small run about two miles out of town. He left the store last evening to go home. He was subject to fits, and, it is supposed, fell from his horse, and was drowned while in one of these attacks. UNO AND INO.

BOTETOURT. LOCAL OPTION-BOTH SIDES OF THE QUES-

TION-TOWN HALL. (Correspondence of the Richmond Dispatch.) BUCHANAN, VA., April 3, 1883.

At a recent meeting of the Town Council it was decided to grant no certificates upon which to base a motion before the County Court for a renewal of retail liquor licenses. The Council allege that this action was in deference to petitions representing four-fifths of the voters and ninesenting four-fifths of the voters and nine-tenths of the property holders of the cor-poration, while the opposition claim said petitions were signed without proper con-sideration, and largely by non-residents, misses, lads, and children. At a meeting of the Council last night a motion to recon-sider was lost in a metion to adjourn to Friday night, when the question will again Friday night, when the question will again come up, and the liquor-dealers and their friends will have a hearing. In this con-nection we mention the assertion that less drunkenness is seen in Buchanan than any town of the size and having the same num

FERTILIZERS. SHOCKOE MILLS.—PURE GROUND

NOVA SCOTIA PLASTER.—I import this plaster in the Lump and grind as ordered. After seven years' experience I can guarantee this brand to be superior to any on the market. Special prices on large quantities. WARNER MOORE, Importer and Manufacturer of Plaster, Dealer in Lime, Cement, &c., seventeenth street (south side Dock), ap 1-tMy4 NOTICE TO FARMERS.

NOTICE TO FARMERS.

In addition to my regular business, i am now grinding my "STANDARD" BRAND OF PLASSIER.

EER, which is unequalited by any on the market, and which I intend shall become universally popular on its own merits. Having carefully selected my hump, I can give on the best quality, and having the capacity for grinding fifty tons per day, I can give consumers the advantage of having it freshly ground, as I will not keep a supply on hand, but grind it after receiving orders on shortest notice. Price, &c., on application.

WILLIAM T. KING.
